Important Recital Information

Please note: I tried my very best to keep dancers/families in the same show. However, I simply could not make it work for everyone. Therefore...

- If your dancer is in more than one show (excluding classes that are performing the same dance in multiple shows), you will receive up to 6 free tickets for the second show your dancer is in.
- If you have dancers performing in separate shows (excluding dancers performing the same dance in multiple shows), you will receive 50% off your ticket price for the second/third show that your family members are in.

Recital Location

Dress Rehearsal and Recitals will be at the Alverson Center for Performing Arts (Fowlerville High School).

Volunteers Needed!

Volunteers are a valuable part of ensuring that our dance recitals run smoothly, and your help is greatly appreciated! If you are interested in being one of our volunteers for recital, please let us know. As a thank you from us, **volunteers will receive two free recital tickets to their dancer's show.**

- If you would like to volunteer, we ask that you volunteer for the show that you/your dancer is NOT in so that you do not miss getting to see your dancer perform on stage.

Practice Videos

Dancers should be practicing their dances at home to start preparing so they are confident for recital. You can find their practice videos on the parent portal. To find them in the app...

Dance Portraits - Save the Date!

If you would like individual portraits taken of your dancer in costume, we will be taking photos at the studio on Friday, May 3rd and Saturday, May 4th. Group photos will be taken onstage at dress rehearsal. More information on times and how to sign-up will be sent out at a later date.
